Dear Parents and Friends of Pleasant Hill,

We are planning a great field day for Tuesday, May 22, 2012! We need lots of help to make this day extra special for our students!!!!!! Our field day is a full day event filled with fun and exciting stations. We are hoping to get 60+ volunteers. We really want to get dads involved, so this is our plea to get dads to volunteer. Of course we want moms, friends, relatives, and community members too! We will have 15 stations, and it is our hope to have two volunteers or more at each station for every shift. The field day will be for all grades Preschool through 5th grade! Our make-up rain day has been set for Friday, May 25th. Eat a hearty breakfast and be ready to have a fun time! Don't forget your water bottle, sneakers, and sun screen!!!

***Any community members and college students that want to help are invited to volunteer also.

Thank you for supporting our school,

Mrs. Price, Principal and Mr. Bahe, Physical Education Teacher
