TO GET INVOLVED  
WITH THE PTO

## TOP 10 REASONS TO GET INVOLVED WITH THE PTO

10. It's a great way to meet other families with children the same age as your own.
9. Get to know the teachers at "your school" and understand their needs and ideas.
8. You will become a greater part of your children's learning experience.
7. To help raise money for a great cause - your children's education!
6. It's one more way to meet and talk with our Principal, Mrs. Price, and hear the monthly principal's updates about new and exciting happenings at Pleasant Hill Elementary.
5. You can create, plan and execute fun events for the whole family.
4. It's an hour or so off each month from your hectic household routing. Child care is provided!
3. Your child will be proud to say "my parent is helping at my school".
2. Your kids grow up too fast; don't miss out!!
1. Finally the number one reason to join...
